

We understand that sometimes owners need to sell their ownership due to life circumstances. Below you will find a list of ARDA (American Resort Developer Association) recommended brokers.

Although Breckenridge Grand Vacations (BGV) is not associated with these companies directly, we are confident they can assist you with your resale needs. Please feel free to contact the BGV Accounts Receivable team with any questions by calling 888-783-8883 Ext. 3048 or by email at bgvarm@breckgv.com
